		No propane or other flame (fire) devices are permitted			
		No personal mess kits are needed.			

	Anything of value that might get "lost" during the trip			
	<b>Consider</b>			
	Consider using the Troop bank.			
	The 1st ASMs will disperse personal money each morning at the Scouts request.			
	The rest of the money will be held in the troop strong box for security until the next day.			
	If you wish to have the adult leader hold the extra money for your scout:			
	Please hand the money to the 1st AMS at the Equipment Check in on July 21st			
	Put the money in a business sized envelop with the scouts name on it.			
	Put the money in the bill size that you want dispersed at the Jamboree.			
	Mark any other instructions on the envelop.			
	The Adult Leaders are not responsible for any money not in the troop bank.			
	Another option for spending money at the Jamboree is the Card that you received info about directly in the mail from the National office.			
	If you do not use the troop bank, bring travelers checks. Travelers checks will be accepted in most places.
