

BALOO

Basic Adult Leader Outdoor Orientation

Saturday, May 22, 2010 – Nobscot Scout Reservation

This is a fun and exciting training for all Cub Scout Leaders who have minimal camping experience but want to plan and carry out an entry-level outdoor experience for the Pack.

This training is required for Pack leadership before conducting a Pack family campout. This is the first step in the evolving BSA camping training program. A very capable staff will prepare you for fun and successful family Pack overnight campouts.

By completing this course you will: understand the focus of the Cub Scout level of the BSA camping program; acquire the skills and confidence necessary to plan and carry out a successful, first-time Cub Scouts-level camping activity; increase your knowledge of the resources available from the BSA and other sources to carry out this activity; and understand the requirements for successful completion of this activity, using national standards as guidelines.

The registration fee is \$18.00 and includes lunch and all program supplies. Because we are providing lunch, it is very important that you ***pre-register by May 15, 2010.***
