

# Customer Thank You Idea

This thank you idea was shared with us by Michael B. of Pack 32 Milford.

He issues these postcards to each of his customer's that purchase popcorn. The postcard features a picture of his smiling face, a thank you message and his Scout ID so customers can order popcorn online year round and Michael and his pack will still get credit for the sale.

Michael's Mom Amy told us that the postcards were created at Vistaprint ([www.vistaprint.com](http://www.vistaprint.com)) and they took advantage of one of their many offers for 100 free postcards.

Thank you Michael & Amy for sharing this great thank you idea with us!
