Please be sure to complete the following online courses prior to attending if possible:

[Fast Start Training](http://www.ktc-bsa.org/training), [Youth Protection Training](http://www.ktc-bsa.org/training) and [This is Scouting](http://www.ktc-bsa.org/training) segments available online at <http://olc.scouting.org>. These courses are required to complete your basic training program and be considered a "Trained" leader.
